

## SUPPORT

### Rose City Gay Freedom Band

Please consider making a tax deductible donation to the band. Each donation supports our mission to provide the greater Portland LGBTQ community with the opportunity to perform in our bands and to bring music to the public in concerts, dances, pride parades and various other community events.

Although we charge a nominal admission fee for some of our performances, the marching band and Rose City Swing play in public, at Portland Pride, Vancouver Pride and community benefit events, every year with no additional source of funding. We need your financial support to continue these important activities.

The Rose City Gay Freedom Band is a 501(c)3 non-profit organization. We ask that you to provide a full name and mailing address in order to send a thank you letter documenting your tax deductible contribution. Please print the information clearly.

The band will acknowledge yearly donors in future programs according to the following levels of support:

**Sonata** up to \$100

**March** \$100 to \$249

**Suite** \$250 to \$499

**Encore** over \$500
